Great King of All

From the depths of my heart
Lord, I sing of your awesomeness
You are more than words can say
Heaven and earth you called to be

From the depths of my heart
Lord, I sing of your awesomeness
You are more than words can say
Heaven and earth you called to be

Power and might belongs to You
Glory and strength ate in your dwell-
ing place
Splendour and grace are before you
Lord
Honour and wealth come from you

Chorus:

Great king of all, God of all flesh
Creator of all, we glorify you
Lord God of host
The great I am
Father of love, we glorify you x2

No End

Your love is ever sure
And in its steadfastness
It has no end
The glory of Your reign
And the greatness of Your name
It has no end
Great God of love
I know Your faithfulness
It has no end
I'll love You every day with this very
life You gave
It has no end

Lord, Your sheer mercy
Flows to all
Slow to anger
Abounding in love
Not for earthly glory
But for Your praise
You created a masterpiece
You created me

In all the stories told and heard
None describes the depth of Your love
Even up till date, none has puzzled out
the vastness of space
All those who have waited
Just to see Your end (Oh Lord God)
You still loved them to their very end

There is no other
There's no love like yours
Hallelujah I have seen your love
It has no end
There is no other
There is no love like yours
Hallelujah I have seen your love
It has no end

I'm Satisfied in Your Love

You are my peace
In You I've found my rest
In You there's everything
I have no need

You are my song
You are my melody
You are the life I live
I am complete in You

Almighty Father You are
Your love is perfect and everlasting
Your faithfulness is great
And Your mercies are sure
I am satisfied in Your love

My eyes have seen Your goodness
And Your endless favour
You are true to Your word
You are wondrous Lord
Your grace You've lavished on me
And Your greatness I've seen
You are true to Your word
You are wondrous Lord

Your Words are Eternal

Your word never fails
It's stands forever

Lord your word is eternal
And it stands forever more
The heavens and the earth shall pass
away
But Your word never fails

From generation to generation
You are consistent in your faithfulness
This is the basis of my confidence
Lord, Your word never fails

Your word is dependable

Lord your word is powerful
It's the anchor for my life
All that I am
I find in Your word
Your word, my everything

From generation to generation
You are consistent in Your faithfulness
This is the basis of my confidence
Lord, Your word never fails

Great Lord & Master

By Your name, we conquer
And pull down every stronghold
We eliminate all evil in Your name, Lord Jesus
We plant and uproot in Your powerful name
The Bible says, in Judah, God is known
So, we declare You are known in every nation
We declare You are known
By kings, governments and rulers
We declare Your lordship, oh God
All over the earth
All men will bow and confess, You are Lord

Great Lord and Master Jesus
Your name is most revered
Your name is the mightiest,
Your name is the greatest
We are honoured by Your name
And by Your Word
We declare everywhere Lord, You are known

There's no divination or enchantment against us
We are born of God and filled with the Holy ghost
Even now, we reach into the expanded form
Everywhere in all the earth
Collapsing all evil works of darkness rising against us
Bringing them into subjection and rendered to naught
In all-powerful name of Jesus
All over the earth
All men will bow and confess, You are Lord

Chorus

We have ever-increasing victories in Your name
We rejoice in Your name, oh Lord
We glorify Your mighty name
We declare that everywhere Lord, You are known

Chorus

I could Never Thank You Enough

Lord,Your mercies are new with every sunrise
(To the Name above all names I lift my hands)
You made all things yet chose to make me Your home
For Your Spirit I could never Thank enough

I'm the one who's returned to say
Thank You Lord for every blessing
The perfect understanding of the word You have given
Thank for Your grace at work in me
Yes I'm a proof that You are gracious
(In Your name I trust I know it never fails)
Wondrous Lord Your truth is revealed in me
For Your goodness I could never thank You enough

Thank You for Your grace at work in me
(For the gift of Your Spirit)
(And the gift of righteousness)
Thank You for Your grace at work in me
(For the great things that I've wrought)
(In Your name and through Your word)
Thank You for Your grace at work in me
(For my transcendent life)
(I have In You Lord Jesus)
Thank You for Your grace at work in me
